Sharing the Miracle of Christmas!

I remember as a small child experiencing the wonder of Christmas morning - waking up to see the Christmas tree decorated, all the gifts under that tree and the smell of family dinner beginning to cook. Miracles are all around us. The Chesterfield-Colonial Heights Christmas Mother Program exists to ensure that, in our community, no family is without food, no child is without toys and clothing, and no elderly person is forgotten as we celebrate the holidays.

For over forty years, the Chesterfield-Colonial Heights Christmas Mother Committee has worked year round to raise funds to purchase toys, clothing, books and food cards to help local children and elderly residents who are less fortunate share in the miracle of Christmas. I am honored to represent this organization as the 2016 Christmas Mother.

Last year, with your help, our organization was able to assist over 5000 individuals representing approximately 1600 families. Your generosity as individuals, civic groups, businesses, churches and schools in our community determines the success of the program. There are several ways you can help.

Sponsor a family or senior citizen by providing gifts and food for Christmas.

Donate gifts for children, teenagers and seniors or food gift cards.

Contribute a monetary donation to purchase food gift cards, clothing, toys and books for families that are not sponsored. United Way donations may also be designated for the Chesterfield-Colonial Heights Christmas Mothers; simply write in the name.

Volunteer your time at the Christmas Center. This year the Center will be open December 12 - 14 from 8:30 a.m. to 4:00 p.m.

To sponsor a family or volunteer at the Christmas Center, please contact our office at 748-1183, 751-4657 or by email cchchristmasmother@gmail.com beginning October 1. Donations can be sent directly to Christmas Mother, P. O. Box 2500, Chesterfield, VA 23832.

I wish you and your loved ones the very best this Christmas and holiday season. May you experience the miracle of the season and help us share that miracle with other less fortunate members of our community.

Thank you for your help!

Sincerely,
